3. In order to prevent duplication of buildings or improvements to be constructed in this section or adjacent section, the Committee is vested with full authority to approve or disapprove plans for the construction of any building or improvements with its major features so similar to an existing building or improvement as to be construed as a practical duplication thereof in the discretion of the Committee.

4. In the event said Committee fails to approve or disapprove such designs and plans within thirty (30) days after said plans have been submitted to it, or in any event, if no suit to enjoin the erection or alteration of such building or improvement has been commenced before such erection or alteration is substantially completed, such prior approval will not be required and this covenant will be deemed to have been fully complied with and no suit or claim will be available to said Committee, nor to any lot owner or other person. V. MAINTENANCE CHARGES, RECREATIONAL FACILITIES & COMMON GROUNDS

1. The owner of every residence located in said subdivision shall be a member of Sugar Creek Recreational Center, Inc., and shall be entitled to one vote, regardless of the number of lots used in connection with his residence. When title to the property is vested in two or more persons jointly, the vote shall be exercised as they among themselves determine but in such case no more than one vote shall be cast per residence. Membership shall be appurtenant to and may not be separated from ownership of the property which is subject to assessment.

2. An annual assessment consistent with the By-Laws of Sugar Creek Recreational Center, Inc. shall be levied by said Recreational Center against the owner(s) of each residence in the subdivision. This assessment shall be based on the residence only but shall be a lien upon all lots or portions of lots used by an owner in connection with his residence. Said assessment shall be due and payable to the Recreational Center on May 1st of each year. Any assessment not paid within thirty (30) days after the due date thereof shall bear interest from the due date at the highest legal rate. The acceptance of a deed by a grantee shall be construed to be a covenant by the grantee(s) to pay said assessment, which shall run with the land and be binding upon the grantee, his successors, heirs, and assigns. No person may waive or otherwise escape liability hereunder by the non-use of the facilities of the corporation or abandonment of the property.

3. The corporation shall have the right to suspend the voting rights and right to the use of the recreational facilities of a resident for any period during which any assessment against his property remains unpaid; and for a period not to exceed sixty (60) days for any infraction of its published rules and regulations. In addition, the corporation shall have the right to enforce by any proceeding at law or in equity all restrictions, conditions, covenants, reservations, liens and charges now or hereafter imposed by the provisions of this instrument. In the event of non-payment of any assessment as set forth herein, the corporation may bring an action at law against the owner(s) personally obligated to pay same or foreclose a lien against the property in the same manner that a real estate mortgage is foreclosed and interests, costs, and attorneys' fees shall be added to the amount of such assessment. The lien of the corporation against the property must be established by, and shall be effective from the time of filing of a Notice of Lis Pendens in the Office of the Clerk of Court of Greenville County. Failure by the corporation, or any owner, to enforce any covenant or lien herein contained shall in no event be deemed a waiver of its right to do so.

4. The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage, lien of laborers, contractors, or material men furnishing labor and material in connection with the construction of improvements located on said property, unless prior to the filing thereof Notice of Lis Pendens has been filed by the corporation for foreclosure due to nonpayment of its assessments. Sale or transfer of any residence shall not affect the assessment lien; however, the sale or transfer of any lot pursuant to foreclosure of a mortgage or materialmen's or mechanic's lien or any proceeding in lieu thereof shall extinguish the lien of such assessment as to payments which became due prior to such sale or transfer unless prior to commencement of said action a Notice of Lis Pendens has been filed by the corporation as set forth above. Nothing herein shall affect the right of the

corporation to enforce the collection of any charges that shall become payable after the acquisition of title by a subsequent bona fide purchaser for value.

5. The annual assessment to be levied by the Recreational Center shall not apply to any lot or residence so long as it is wholly or partially owned by Ellis L. Darby, Jr. or M. Graham Proffitt, III, or any partnership, corporation, or other entity in which either Ellis L. Darby, Jr. or M. Graham Proffitt, III individually have at least a twenty-five (25%) percent interest. In the case of builders who purchase lots in the subdivision for the purpose of erecting residences thereon for resale, the full annual assessment to be levied by the Recreational Center shall be first due on such lots or residences on the first day of January next succeeding the date title is transferred to the homeowner. When the homeowner takes title from the builder, the homeowner shall pay a proportional share of the assessment in effect for that year which partial assessment shall be due and payable within thirty (30) days from the date title is transferred to the homeowner. With respect to individuals who purchase lots with the expectation of later erecting a residence, when such individual takes title to the lot, such individual shall pay a proportional share of the assessment in effect for that year, which partial assessment shall be due and payable within thirty (30) days from the date title is taken. The fiscal year of Sugar Creek Recreation Association, Inc. is from May 1 to April 30.

VI. MISCELLANEOUS

1. No signs shall be permitted on any residential lots except that a single sign offering property for sale or for rent may be placed on any such lot provided such sign is not more than 24 inches wide and 20 inches high.

2. The property within the subdivision is hereby declared to be a bird sanctuary and any hunting of any wild birds is hereby prohibited.

3. Nothing herein contained shall be construed to prevent Ellis L. Darby, Jr. and M. G. Proffitt, Inc., or their successors and assigns, from maintaining temporary sales offices and storage on any lot, common grounds or recreational facilities while the subdivision is in the process of being developed and houses constructed within the development.

4. The covenants herein contained are to run with the land and shall be binding on all persons claiming under them until the 31st day of December, 2011, at which time said covenants shall be automatically extended for successive periods of ten (10) years, unless by vote of the majority of the then owners of the lots, it is agreed to change said covenants and building restrictions in whole or in part.

If the undersigned, or their successors, heirs, or assigns, shall violate or attempt to violate any of the covenants herein, it shall be lawful for any other person owning any real property situated in said subdivision to prosecute any proceedings at law or in equity against the person or persons violating or attempting to violate any such covenant and either to prevent him or them from so doing or to recover damages or other dues for such violation.

Invalidation of any one or more of these covenants by Judgment or Court Order shall in no wise affect any of the other provisions which shall remain in full force and effect.
